Why Me?

A vote for me is a vote for you. If elected, with your input and my experiences, I promise to bring you events that will positively impact your academic journey!

Some goals I have for next year are:

- **Implement feedback systems** that are always open to increase event attendance and tailor events to you!
- **Continue organizing useful academic opportunities** - panels w/ experts, skill-development workshops, promoting underused resources, and more!
- **Host more social events** to strengthen the iSchool's community... iSchool-wide volleyball tournament? 🏐

Experiences

- **IUGA - First-Year Representative:** Assisted on events advocating for academic success (Town Hall, Intern Panel)
- **Neighborly - Data Science Intern:** Strong foundations in data analysis analyzing over 100+ franchises
- **Notelove Dallas-Fort Worth - Co-Recruitment Director:** Nonprofit, developed library programs to educate students about music
