

ABRAHAM GIBSON

Candidate for Vice President

About Me

I am a Junior in Informatics. I'm an international student from Singapore and transferred into the UW last Fall from Green River College. Cool fact: I served in the military for about 3 years in the capacity of a 3rd Sergeant before embarking on my college journey in the US. I consider myself to be someone who enjoys working within the collective, cherishes community and genuinely wants to make a positive difference wherever I go. What motivates me is people, and how I can help or better support my community. That would be all of you here at the iSchool.

Experience

IUGA First Year Representative

2024 – Now

Represent the voices of first year students at the iSchool within IUGA.

Organized IUGA Student Intern Panel - 2/13/25

Experience

INFO 380 TA

Winter Quarter 2025

Jun 2023 – Jun 2024
Green River College

- Managed a student senate under ASGRC, overseeing a USD \$1.75 million budget from the Student & Activities Fee to support Campus Life.
- Directed the tone and activities within the Office of Campus Life, ensuring events and programs were aligned with student interests.

Why Me?

There is not a more important word in the English dictionary than “community” for me. I am a steady hand and have multiple varied experiences in leadership from my time in the military through my experiences in college. I am the safe bet and the one that will serve all iSchool students to the best of my ability.
