Hi, I'm George!

I'm a sophomore INFO student with a passion for technology, and I'm running for IUGA's Director of Finance position.

Informatics is an amazing major that offers a multitude of opportunities! IUGA's events play a key part in building out that culture, and I will work hard to ensure that we are fully funded - **Empowering students to be the best they can be!**

iuga

I am a previous First Year Rep on the IUGA board, I know what the costs of events are like, and can easily secure the funds to match!

R

I TA for INFO 201!
I will make data driven decisions on how to best allocate our income

Why Me?
Take a look at who I am:

I volunteered for WordplayPen!
I know what it takes to design with accessible experiences in mind

What's my plans for IUGA?

I commit to funding and supporting

8+

new events per a Quarter. Let's make the most of our time here!

What else?

- **Transparent budget allocation** - Ensure funding decisions are clear and benefit all students.
- **Drive more engagement to IUGA events** - foster a strong community
- **More Cross-RSO collaborations** - introduce students to new ideas
- **Invest in Career events** - Get students the tools needed to get that Bag!
